

New Yard Debris Collection Schedule:

Beginning the week of **June 29**, we will begin the new yard debris schedule. Your yard debris will be collected on the same day as garbage and recycling, **every other week**.

The old schedule continues through June 26.

Check the Yard Debris Schedule (below) for your Route Day.

The City is mailing new Yard Debris Calendars. You will get a BROWN calendar OR a GREEN calendar, showing your collection week.

Our drivers will leave a notice about the changes on your garbage can the week of June 1.

If you received BOTH GREEN and BROWN Calendars:

Recycle the “Green” Calendar. The City mailing contractor made a mistake, and sent out both calendars to some customers. The “Brown” calendar is your correct schedule.

Friday Laurelhurst Route:

Friday Laurelhurst customers will be collected on THURSDAYS, beginning July 2. Remember, we will be collecting garbage and recycling on Thursdays, and yard debris every other Thursday (BROWN WEEK).

Thursday/Friday Laurelhurst Routes, Yard Debris:

We will pick up your yard debris on TUESDAY June 30 and then again on THURSDAY July 9. Your yard debris will then be every other THURSDAY on BROWN WEEK.

New Yard Debris Schedule
